

Seven Years in Fibet at Home

Kristoffer Grönlund | github.com/krig

DON'T

PANIC

Not about tools

1.

Get dressed.

2.

Commute.

3.

Eat breakfast.

4.

Plan your day.

5.

Take breaks.

6.

Make rituals.

7.

Time to connect.

8.

A dedicated space.

9.
Accept the distractions.

10.

Think asynchronous.

11.

Really, no meetings.

12.

Make sure everyone is heard.

13.

No naked pings.

14.

Over-communicate.

15.

Stop working!
