# Community Room Hosts

- We are looking for rooms for the community day.
- This is an opportunity to host a community activity such as a devroom, hackaton, unconference, or workshop.
- Great for showing your facilities and activities to the broader community.
- foss-north will call for projects to fill the rooms.
- The rooms need wifi, power, lighter food and a host.
- Each room will be an "open house" for visitors.
- We will promote the rooms and hosts.

# COVID-19 Plans

We want foss-north 2021 to be a physical event

In a scenario where we do not think that such an event can be carried out in a meaningful way we will convert to a hybrid or completely virtual event no later than April 10
